Mr. Kiyoshi Takagishi,  
President,  
Automobile Journalists Assn. Of Japan,  
TOKYO. JAPAN.

My dear Mr. Takagishi,

I was indeed delighted to receive your kind letter of  
11 September, 1971, from your member Mr. Okazaki.

I know Mr. Okazaki has returned to Japan now and believe  
that he will give a faithful and impartial report on the  
Southern Cross Rally. He gave a very good impression of  
Japanese journalistic standard to all who met him.

Thank you again for your kind wishes, and our best wishes  
to you and your Association.

Yours sincerely,

L. D. Stewart,  
President
